

GREATER LAPORTE CHAMBER *of* COMMERCE

City Ordinance for Future Street Names

Issue: The City of LaPorte is considering an ordinance that would outline procedures for the naming of future streets developed within the City or Annexed into the City. There currently is no procedure in place to accomplish this.

Position: The Greater LaPorte Chamber of Commerce Governmental Affairs Committee agrees that there needs to be a procedure in place for the naming of future streets within the City of LaPorte and supports the ordinance for that reason.

Endorsed: 12/09/05 Governmental Affairs Committee
