

GREATER LAPORTE CHAMBER *of* COMMERCE

Five Year Capital Improvement Plan

Issue: The City of LaPorte has developed a Capital Improvement plan for the years covering 2004-2009. There was a definite need for the city to develop a five year Capital Improvement Plan because none existed.

Position: The Greater LaPorte Chamber of Commerce supports the concept that units of government should be managed and operated as a business with a sound business plan. The Capital Improvement plan has prioritized the capital improvements into six categories that will provided the greatest overall advantages to the city and its taxpayers.
