

GREATER LAPORTE CHAMBER *of* COMMERCE

Indiana Association of Cities and Towns 2006 Legislative Agenda

Issue: The City of LaPorte Indiana is under what the Mayor has termed financial strangulation. The City just does not have the financial resources to adequately operate the City. The Greater LaPorte Chamber of Commerce believes that to have a strong local economy for business retention and to support business attraction, the City of LaPorte must have the adequate resources to provide city services. The Indiana Association of Cities and Towns (IACT) 2006 Legislative agenda address this concern with the following Legislative Agenda:

- Local Governmental Finance Proposal
- Eminent Domain
- Public Safety Pension Relief
- Recognizing Growth
- Capturing Delinquent Taxes

Position: The Greater LaPorte Chamber of Commerce Governmental Affairs Committee and Board of Directors support the 2006 Indiana Association of Cities and Towns (IACT) 2006 Legislative Agenda which will benefit the City of LaPorte.
